

Virtual Offices

Your Google Mapping Business Address Solution

With a virtual office space, you can claim a location for your business without setting up a physical office space. This can be extremely beneficial for local SEO purposes.

– David Shiffman; Co-founder, Brandamos

Just off I-91 at Exit 21, Cromwell

Ideal for home office companies, second office locations and startups needing a professional address. A great place to meet clients, you can include a private day office on selected days and your central Connecticut business is set to go!

DAY OFFICE!

A private day office for 3, 5 or 7 days per month turns your virtual office into your favorite workplace.
